

Tek-NiqueInk Office Supplies & Solutions is a ***Service-Disabled Veteran Owned & Operated Company*** founded by Edwin and Teresa Burkhart. ***Tek-NiqueInk*** has over 30,000+ Office, Imaging, and Furniture Supplies to choose from including many name brand items, as well as in-house Office Design, Print Management Solutions that includes Maintenance & Service by certified Technicians for your printer and copier environment, “Green” Products to help you meet or exceed your “Green” Initiatives including our powerful Environmental reporting tools ***“The Carbonneutronics Index Report & The Environmental Initiative Report.”***

Tek-NiqueInk would like to announce that we now can offer Personnel & Staffing Service through our strategic partnership with Communication Services, Inc a Professional Labor Service to the Telecommunications Industry. They selectively recruit and employ highly experienced and talented Experts, many of whom possess more than twenty-five years experience and superlative performance records in the Telecommunications Industry. Much of the professional services they are able to provide to our clients are on-site support at Federal agencies including the White House, Pentagon, National Institute of Health, Department of Justice, Department of Transportation, Department of Treasury, and GSA.

Tek-NiqueInk works with you, our customer, to extract the highest return on investment from every dollar spent on your office furniture, supplies, imaging infrastructure, as well as the personnel to help you with implementing your processes. From strategic planning to implementation and optimization, we have the people, processes, and expertise to help you attain your goals.
